

Unit 2 MC Exam Review

SS 20-1

The idea that would **best** complete the web is

- A. nationalism
- B. appeasement
- C. national interest
- D. ultranationalism

Self-determination can be a force for building a nation but in the comic above the soldier has died because of:

- A. cultural self-determination
- B. ultra-nationalism
- C. international cooperation
- D. apartheid

I want freedom immediately, this very night before dawn, if it can be had. You may take it from me that I am not going to strike a bargain with the [British] for ministers and the like... Here is the mantra, a short one, that I give you. Do or die. We shall either free India or die in the attempt.

Mohandas Gandhi
August 8, 1942

The source **best** portrays a desire of the people of India for

- A. national self-determination
- B. successor state
- C. referendum
- D. Internationalism

All of the following actions are more closely associated with ultranationalistic states rather than nationalistic states **except**

- A. imprisonment of those deemed unsupportive of government policies
- B. state-supported centennial (100 years) celebrations, such as national holidays
- C. the use of a scapegoat to legitimize extreme government policies
- D. censorship of school texts to misrepresent a country's history

American poster of early 1940's.

- What propaganda technique is **best** portrayed in the source?
- A. plays on peoples' own failures
 - B. card stacking by presenting the Japanese in a positive light.
 - C. uses respected symbols to appeal to the values of people
